Norwegian Food Safety Authority

APPROVAL TO MARK HEAT TREATED WOOD PACKAGING MATERIAL

Bruland Pallefabrikk AS, Bruland, N-6800 Førde AS, has since 20.09.2013 been certified by The Norwegian Food Safety Authority to mark wood packaging material in accordance with the requirements of 'Regulation of wood packaging material in international trade' – ISPM 15. Wood packaging materials marked by the company are made from debarked wood that has been heat treated to reach a core temperature of at least 56°C for minimum 30 minutes. The company has established an internal control system in order to secure compliance with the requirements of ISPM 15.

Verification of compliance with the conditions of ISPM 15 is carried out by The Norwegian Food Safety Authority through regular audits.

A list of Norwegian companies certified to mark wood packaging material according to ISPM 15 is available at www.mattilsynet.no
